Japan has also a brand of culture to impart.

Europe seems to have had several scraps of paper.

Don't neglect a summer cold. A bronchial cough causes broken sleep and lowers your vitality. Foley's Honey and Tar Compound soothes and heals raw, inflamed membranes, stops tickling in throat and clears stuffy, wheezy breathing. Contains no opiates; children like it; good for all colds, coughs, croup and bronchial affections. Sold by A. G. Meyer. adv

Would anybody else like to take on the Colonel for a little bout?

Armageddon agrees admirably with the manufacturers of explosives.

Apparently Mr. Barnes' character was dented but not punctured.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This is a remedy that every family should be provided with, and especially during the summer months. Think of the pain and suffering that must be endured when medicine must be sent for or before relief can be obtained. This remedy is thoroughly reliable. Ask anyone who has used it. Obtainable everywhere. adv

Huerta's silence proves him a greater man than had been anticipated.

And they can't even keep war talk out of that Mohonk Peace Conference.

Meanwhile the dove of peace believes that somebody is rocking the nest.

Only A Few Can Go.

Those who do not have to consider expense are now going to health resorts to get rid of impurities in the system that cause rheumatism, backache, aching joints and painful muscles. If you cannot go, yet feel you need relief from pain and misery, get Foley Kidney Pills. They restore the kidneys to activity and make you feel well and strong. Sold by A. G. Meyer. adv

There is a pretty good fleet, what there is of it. And there is a good deal of it, but not enough yet.

If there is any flaws in the American message to Germany the Germans may be trusted to find them.

After the dreadful swatting of the past few years the fly may be converted to the protective coloration theory.

Not For Men Only.

Women suffer as much as men do from indigestion and constipation and require the same scientific remedy to keep the stomach sweet, the liver active and the bowels regular. Foley Cathartic Tablets are wholesome and cleansing; do not grip or cause nausea. Stout people say this is the one cathartic that takes away that overfull and clogged-up feeling. Sold by A. G. Meyer. adv

If fighting could only be done by telephone. All of it we mean! Wouldn't it be great.

Italy is going to add to the highly colored literature of the war by issuing a green book.

Billions Attacks.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach and causes dizziness, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.

Swatting the flies is less sensational than some other forms of warfare, but it does not disgrace civilization.

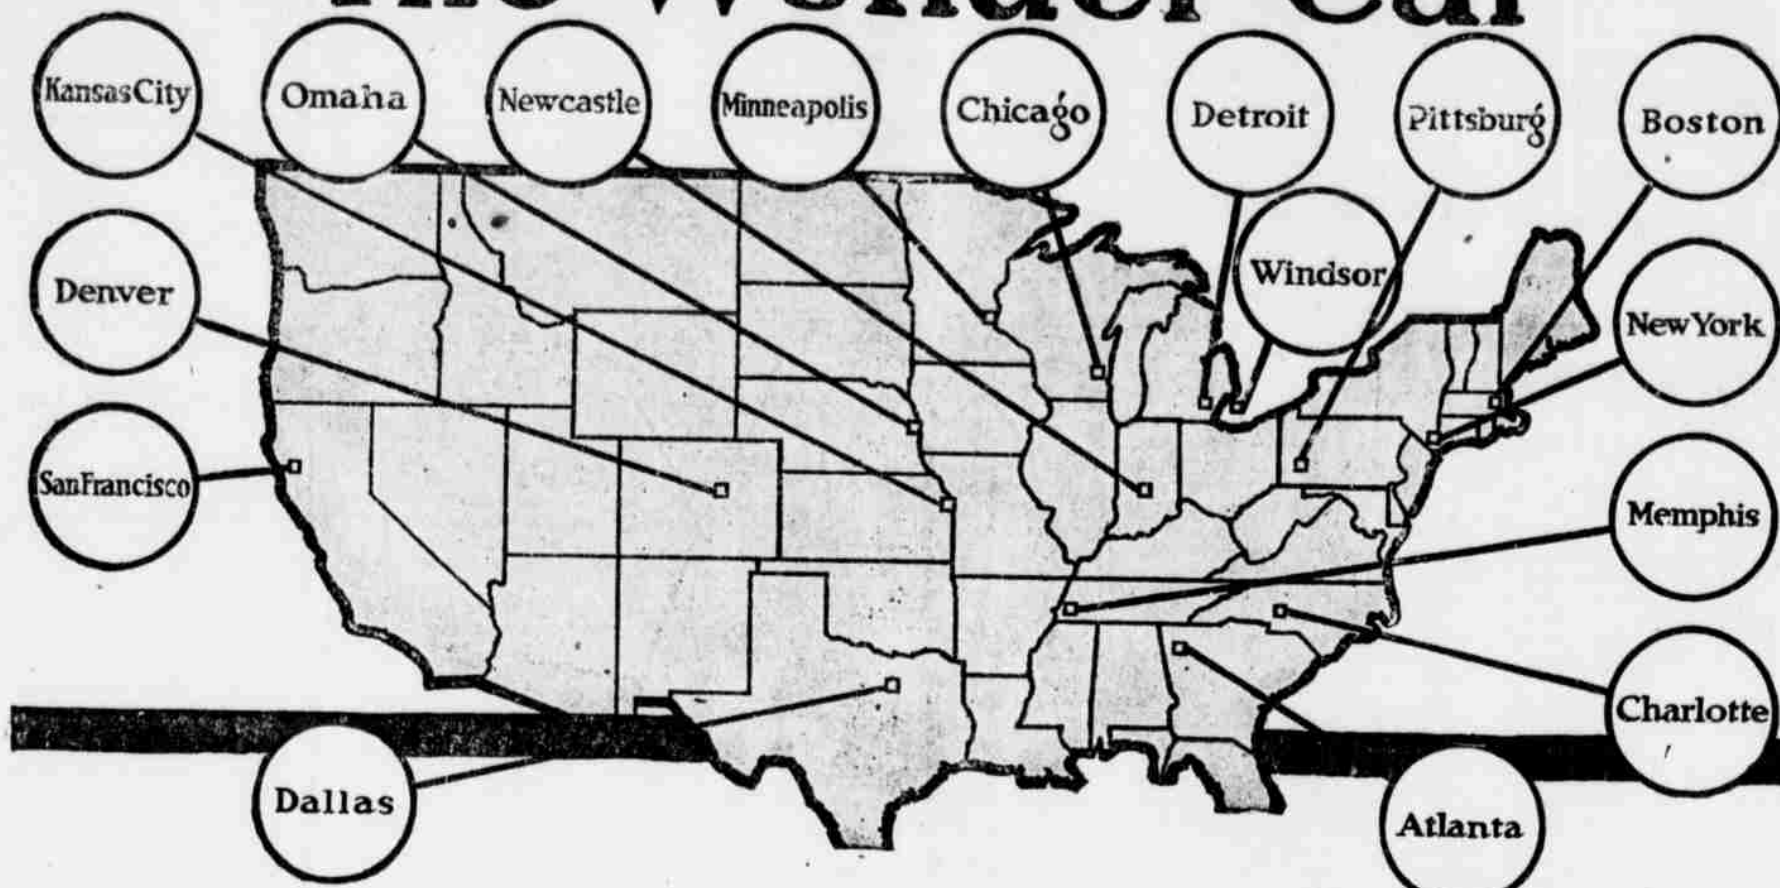

As for those costs in the Barnes case, the colonel and the bus might split them fifty-fifty and reimburse themselves by adapting their act for the movies.

Greatly Benefited by Chamberlain's Liniment.

"I have used Chamberlain's Liniment for sprains, bruises and rheumatic pains, and the great benefit I have received justifies my recommending it in the highest terms," writes Mrs. Florence Rife, Wabash, Ind. If you are troubled with rheumatic pains you will certainly be pleased with the prompt relief which Chamberlain's Liniment affords. Obtainable everywhere. adv

Maxwell

"The Wonder Car"

16 Great Service Branches—54 Maxwell District Offices—More than 2,000 Maxwell Dealers are always at the Service of Those Who Drive Maxwell Cars

When you buy an automobile you buy two kinds of service. First:—The service given and guaranteed by the car itself. Second:—The service given by the maker and the dealer while the car is in use.

The service the Maxwell car gives is known. 38,000 satisfied Maxwell owners have given the car the rough and tumble acid test of fully eighteen months' service. The Maxwell has shown that it is able to stand up under the severest use. In cities, over country roads, through mud and sand and up the steepest mountains, the 1915 Maxwell has made good for 38,000 owners.

THE SERVICE THAT THE MAXWELL MOTOR COMPANY GIVES

The service that the Maxwell car gives cannot be questioned. Any automobile owner from time to time requires service

from the maker of the car he drives. He sometimes needs new parts, adjustments, etc.

16 GREAT MAXWELL SERVICE BRANCHES

The Maxwell Motor Company takes care of Maxwell owners by maintaining 16 great Maxwell Service Branches. These branches are in great cities which have been selected in such a manner as to thoroughly cover the United States. They can deliver parts to any Maxwell dealer or Maxwell owner within a few hours.

54 MAXWELL DISTRICT OFFICES

54 Maxwell District Offices are maintained in leading cities. This means 54 District Managers, each with a corps of assistants. A great big part of the work of this army of skilled men is to see that Maxwell dealers give real Maxwell service to Maxwell owners.

MORE THAN 2,000 MAXWELL DEALERS ALWAYS AT YOUR SERVICE

Each of the Maxwell dealers in the United States and Canada is an automobile expert. Anyone of them stands ready at all times to give advice and assistance to any Maxwell owner. You can tour all of the United States and Canada and should your car require the attention of an expert you will find a Maxwell dealer near at hand. If you need a replacement part, and the dealer does not have it in stock, he can get it for you from the nearest Maxwell branch within a few hours.

Maxwell owners never have their cars out of service for days or weeks at a time waiting for replacement parts.

The \$695 Maxwell "Wonder Car" is the greatest real automobile value ever offered. The service that the Maxwell Motor Company gives is not surpassed by the service given by any other automobile manufacturing organization in the world.

Read This List of Expensive Features. The 1915 Maxwell Has These Features And Many Others.

Attractive Streamline Body
Pure streamline body; graceful crown fenders, with all rivets concealed. All the grace, style and "dash" that you will find in any of the highest priced cars.

A High-Tension Magneto
Nearly all the high priced cars have high tension magnetos. A high tension magneto gives positive ignition. The Simma magneto, with which the Maxwell is equipped, is recognized as one of the best magnetos made.

Left Side Drive—Central Control
Left side steer with gear shifting levers in center of driving compartment—center control—has been accepted by leading makers of expensive automobiles as the safest and most comfortable for the driver; that is why the Maxwell has it. The Maxwell is so easy to drive and control that a child can handle it.

Three-Speed Sliding Gear Transmission
All high priced cars have a sliding gear transmission. It is costly to make, but it is the best. If the motor has the power, sliding gears will pull the car out of any mud or sand. The Maxwell has a three-speed selective sliding gear transmission because Maxwell engineers do not consider any other type to be worthy of the Maxwell car.

Double-Shell Radiator with Shock Absorbing Device
The Maxwell radiator is of handsome design, gracefully curved, and it is built to be trouble proof. It is the expensive double shell type and has ample cooling capacity. The radiator is mounted to the frame by means of a shock absorbing device on each side, which relieves the radiator of all twists and distortions of the frame, caused by roughness of the road. The shock absorbing device also minimizes the possibility of radiator leaks.

The Roomy Full 5-Passenger Body
Adjustable Front Seat
The 1915 Maxwell has a full grown 5-passenger body. The front seat is adjustable, you can move the car really comfortable for the driver. No cramped legs for tall people or uncomfortable reaching for short people. Most drivers' seats are made to fit anyone—no fit no one.

Low "Up-keep" Carburetor
The carburetor used on the Maxwell was especially designed for it after long and severe tests under every conceivable condition. Economy tests conducted by hundreds of dealers and owners in different sections of the country have proved its efficiency, its quick response to throttle and its extremely low consumption of gasoline. It has been termed the "low up-keep" carburetor.

Irreversible Steering Gear
The greatest margin of safety has been provided in the steering gear of the 1915 Maxwell. The Maxwell irreversible steering mechanism is of the expensive worm-and-gear type and its many adjustments. At no time is more than a fourth of the bearing surface of the gear which operates the worm in use. When needed, a new bearing surface may be had by adjusting the gear a quarter of a turn. In short, the Maxwell steering gear has four times the adjustment of any other kind.

Heavy Car Comfort
What surprises most people is the smooth, buoyant riding qualities of the Maxwell. The spring suspension of the 1915 Maxwell is the same costly combination of long semi-elliptical front springs and the three-quarter elliptical rear springs that is used on most heavy weight, high priced cars. The Maxwell offers you every essential of the highest priced machines at a fifth of their cost.

One Size of Tire—Anti-Skids on Rear
The Maxwell car is one of the easiest cars in the world on tires. Maxwell owners carry but one spare tire and but one size of spare tubes. Economical 29 inch x 3 1/2 inch tires are used all around. A famous make of anti-skid tires are supplied on rear wheels.

A Dependable Electric Starter
For \$55 extra, you can have your Maxwell delivered equipped with the famous Simma-Huff electric starter. This starter is efficient, trouble proof and easily operated. And the Maxwell is completely equipped from the clear vision, ventilating windshield at the front to the spare tire carrier at the rear.

The Maxwell Company's Guarantee of Service to Maxwell Owners

No other automobile is backed by a more reliable service than that guaranteed every Maxwell owner. More than 2,000 Maxwell dealers in every part of this country are always ready to give expert advice, to make adjustments, and to supply new parts at reasonable prices. This splendid Maxwell dealer service organization is perfected and completed by the chain of Maxwell owned and Maxwell operated Service Branches. Sixteen great Maxwell Service Stations are so located throughout the country that a Maxwell dealer can supply any part for an owner within a few hours if not in his stock. Maxwell Service is one of the great advantages enjoyed by Maxwell owners.

Order a Maxwell from us now, and when you want it delivered, we will give you your car—not an excuse on delivery day

Splendid Dairy Purses.

Missouri State Fair to Have Seven Day Butter Contest This Fall.

One of the interesting features of the Missouri State Fair at Sedalia, September 25 to October 2, will be the 7-day butter contest to be put on under the direction of State Dairy Commissioner E. G. Bennett, who for the South Missouri Dairyman's Association is offering a \$500 purse in this contest.

All that is necessary to enter the contest, open for any and all breeds, is for the exhibitor to secure from his creamery man a certificate that he is selling milk products to that dairy from the animals exhibited.

This should be one of the very best and most attractive features of the animal husbandry department at the State Fair this fall. Dairy Commissioner Bennett hopes to be able to announce soon a series of purses from the Jersey Cattle Breeders' Association as well as valuable special prizes from the dairy supply dealers. These prizes are virtually secured and will add a great deal of interest to the contests in the dairy classes in the coming big exposition at Sedalia as they will be among the most attractive given at any state fair this fall.
